Learn to Sail this Summer

Learn to Sail in Wickford Harbor, which is sheltered and has easy access to Narragansett Bay. Classes are held rain or shine with indoor facilities. Minimum age 8. Own boat not required.

Why Sail?

Sailing is for everyone, regardless of age, ability or limitation. The sport is an ideal family or individual outdoor activity. Sailing is very educational. While learning basics, you will also learn about the weather, the environment around you, the physics behind making the boat go and important safety skills. It is the perfect sport for anyone who enjoys water sports and recreation activities. You can compete in racing or take a leisurely sail with family and friends. Sailing is truly a lifetime sport that has something for everyone. [credit www.ussailing.org]
