

## YOUTH CHORUS

After the success of our first virtual season in 2020, the North Kingstown Youth Chorus is excited to announce that we will hold another **Virtual Season** for Spring 2021 with online rehearsals and virtual choir performances for students in grades 3-8 from all communities. Online rehearsals will include voice training, music fundamentals, and musical preparation for virtual choir recordings. Rehearsals for the Youth Chorus will begin on February 2, 2021 at 5:30pm.

Online registration for the virtual 2021 season for both choruses and examples of past virtual performances from 2020 are available on our website [www.nkchorus.org](http://www.nkchorus.org). Registration fee is \$30. For more information about both choruses contact Heather Skidds, director, at (401)-573-7564 or [nkcommunitychorus@gmail.com](mailto:nkcommunitychorus@gmail.com)
