

## Last year North Kingstown Recreation launched their all new Online Registration Portal

While we are still learning all the areas of this program we are excited to share the program and all the great features with you!

- When you log in for the first time you have to set up an account. When setting up your account you have to add the parent/guardian first. WHY? Because you are the Head of Household. This means that anyone that you add to your household will be defined as a dependent and you will receive any and all notifications regarding every person listed on your account!
- Hand getting tired from all the registration paperwork? This program saves all your information. Once you enter it once... you never have to do it again! Just update the information with any changes and the program will store it all for you.
- You can now receive Text notification! We can keep you up to date on any changes or cancellations via text. You must Opt in and provide who your cell phone service provider is (T-Mobile, Verizon etc) to take advantage of this feature.
- You will *Always* receive up to date email notifications
- If you just want to browse at our programs feel free! Research what programs are available by just a click of a button! See what category, age group or even just to Register with your favorite coach
- We have programs from 18 months of age to adults don't miss your chance for any age
- You can Click the Forms and Documents page to print papers from home instead of waiting to make it to the office
- Keep track of your registration and payments when your receipts are automatically sent to you VIA email
  - Have an account credit? Track it online!
  - Owe a balance? Pay it online and keep track of your balance so you are never past due and have no registration holds. You can always review your payment history and print receipts as well
- Don't miss a wavier, they are done on Recdesk too!
- See your household calendar on your account and make sure you never miss a practice, game or event. You can see the full schedule of all your programs!

#### Announcements & News

##### Fall is Here

We have plenty of Fall Programs to keep your kids busy through the cold weather!

##### Convenience Fee For Credit/Debit Card Transactions

ⓘ Please Note: A \$2.95 convenience fee will be added to your credit/debit card. This fee is not collected by the Town and instead goes directly to the credit card company.

Updated site - Wednesday, November 08, 2017

**PLEASE PARDON OUR APPEARANCE AS WE ARE MAKING OUR NEW AND IMPROVED REGISTRATION PORTAL!! 😊**

*North Kingstown Recreation is in the process of converting over to their new software which includes a new version of online registration. We are using the new software for all programs to get feedback and work out kinks. Please email with suggestions to make the process go smoother, with difficulties or problems you encountered, positive aspects, or any suggestions at all.*

*Thank you for your help. The following link will bring you to the new registration sight. People seem to have found things easier setting up their accounts on their computers vs the phone.*

**Ready to register? Go to.....**

**<https://nkrec.recdesk.com/Community/Member/Login>**

**---OR---**

**<http://northkingstown.org/390/Recreation>**

Our NEW Town online site contact information and emails, the NKGCC, Allen Harbor and Hall rental information. You can also find Job opportunities and other happenings in our great town!

if you click on program information and registration you can find contact information for other great programs that aren't town run but still take place in North Kingstown you can also click the link to get directed to the Recdesk link for the forms and program information
